

THE WHITE HOUSE
WASHINGTON

Dear Abby:

It's taken longer than I anticipated to get this material together, but I wanted to send you as much complete information as I could get together.

There are two pieces here: one from ERAmerica and the other from Margaret McKenna, Deputy Counsel to the President. Both of them cover the points raised in Phyllis Schlafly's letter point-by-point.

I've also enclosed copies of testimony by Liz Carpenter and Phyllis Schlafly on the ERA ratification extension. I thought you might be interested in these, although they are not directly related to the points raised by Phyllis in her letter to you.

All of the information in the ERAmerica and McKenna letters can be used freely, but Ms. McKenna's letter should not be reproduced in full. If this causes any problem, please give me a call.

Enjoyed seeing you tremendously and hope we can get together again soon. Please let me know if you have any questions or need additional information.

Sincerely

Margaret (Midge) Costanza
Assistant to the President
